Dear Parents / Carers

Thank you all for your support with Children in Need this week. It is always a tricky one, as we know some of our own children are those in need. That's why we welcome everyone coming in non-uniform, but the collection is discrete.

We have two more non-uniform days coming up. Next week is filled jam jars for the Christmas Fair, and the following week is bottles for the tombola. The actual Christmas Fair is on Saturday 30th November.

Although parent evening's were last week, we are always happy to talk about your children. If you want to talk about your child and can't catch us on the gates then either send an eschools message to teachers or call the office to make an appointment.

Coming up.. there will be some work happening in the car park to improve safety for pedestrians. This includes new speed limit signs, some speed humps and markings for pedestrian walk ways. Kev is making a walk through from the top bit of the car park to the path to stop children having to walk back through the car park.

Thank you for your continued support.

Best wishes

Simon

Why is discovery important?

In the news this week

A discovery of more than 6,000 ancient Maya structures, including a city of pyramids, has been named Valeriana. Hidden by jungle canopy in the Mexican state of Campeche, the city was discovered by chance. A student at Tulane University, in the US, found the city with the help of Lidar, a light detection technology, that uses lasers to map landscapes.

Things to talk about at home ...

- > Share what your definition of 'discovery' is with someone at home. Ask what their definition is.
- > Can you think of any big discoveries in the world made during your lifetime? Ask others at home whether they can recall any. Talk about the impact each had.
