

THE RIVER WHALE

SITA BRAHMACHARI

BENEATH THE WAVES

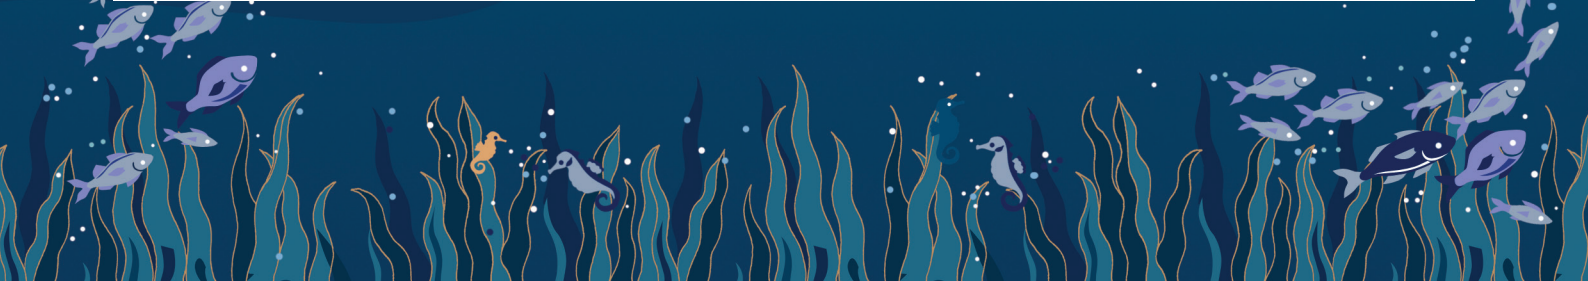

Imagine you are diving beneath the water, write a list of adjectives to describe what you see. Think about light and shadow, the movement of fish and plants and how it feels to be down there.

Here are some examples to start you off: shimmering, cold, peaceful

.....

Now write a paragraph describing it, using some of the adjectives you've just come up with.

DESIGN A POSTER

Design a poster raising awareness of the need to protect our rivers, seas and oceans from pollution. What are the dangers facing wildlife?
What can people do to help?
