Website: www.carclazesch.org - Head Teacher: Mr Simon Pollard

Dear Parents/Carers

Welcome back! It has certainly been a challenging week weather wise but the children have settled back in well and it has been lovely to end the week with a focus on number and times tables.

Times tables and number bonds lie at the heart of maths and the more we can all work together to help the children learn them, the more confident they will be at maths.

Clubs start next week and are filling up quickly. Check out parent pay to see where there are spaces.

We will be looking at opportunities to invite parents and carers to different events during the term so please keep an eye on this newsletter.

Best wishes

Simon

Cornwall Education Learning Trust (CELT)

TAKEHOME

Should you be allowed to build homes anywhere?

In the news this week

UK Prime Minister, Sir Keir Starmer, has stated that building new homes is a 'top priority.' The government has announced changes to planning rules, aiming to make it easier to build homes in the countryside. Local areas have been set targets to deliver a total of 370,000 new homes each year in England.

Things to talk about at home ...

- > What type of home do you live in? What are the advantages of where you live? Is there anything you find difficult about it?
- > Talk about the area around your home. What facilities are there?
- > Ask an adult whether they know of the nearest 'green belt' areas close to where you live.

Certificate Winners

Perranporth Class - D.Clayton for producing neat and careful work in all areas—you sparkle.
B.Atherton for always behaving well and demonstrating the Carclaze way.

Hemmick Class - O.Gregory for his perseverance to improve his handwriting. D.Duce for his information collecting to further improve his knowledge of a given topic.

New Year – New YOU!!

Functional Skills and GCSEs are about setting the foundations to support you in taking the next steps in your studies, career path, and life. They support you in acquiring the skill sets and knowledge necessary to progress in your vocational study or apprenticeships.

Whilst often associated with exams, both GCSEs and Functional Skills are about getting each individual to a level of knowledge, understanding, and readiness to support them excel in education and life. Fear not - both Functional Skills and GCSE's are accepted by universities and employers.

CELT are working with St. Austell College to offer English and Maths Functional Skills to staff and parents. If we can secure enough participants, we can offer evening online sessions to support you to complete the qualification. The time required to complete the qualification varies with each participant but usually take approximately 8-12 weeks to complete. All adults are fully funded for the course if they do not have Level 2 (Grade A-C or equivalent) in English and/or Maths.

Please complete the link below by **Monday 20th January 2025** if you would be interested in completing English and/or Maths Functional Skills.

HOME INFORMATION

January's Musician of the Month

LUDWIG VAN BEETHOVEN

About: Ludwig van Beethoven (17th December 1770 – 26 March 1827) was a German composer and pianist who remains one of the most admired composers in the history of Western music; his works rank among the most performed of the classical music repertoire and span the transition from the Classical period to the Romantic era in classical music. In his early period, he forged his craft whilst his middle period showed an individual development from the styles of Haydn and Mozart. During this time, he began to grow increasingly deaf. In his late period, he extended his innovations in musical form and expression.

Books to read...

If you like Beethoven, try...

- Franz Joseph Haydn
- Kaija Saariaho
- Claude Debussy
