

Dear Parents and Carers

Thank you to everyone for supporting our 'Break the Rules' day today. It has been fabulous to see all the children arriving in such a colourful array of non-uniform - from Iron Man to Pyjamas and slippers, and football players to Elsa! We will share with you the total funds raised as soon as we know.

It has been a busy week again in school. We were pleased to welcome the families of our Y6 children to their book and babble session. It was lovely to see them sharing books and a biscuit together! We also welcomed, Rob Wells from the Seal Conservation Trust, who led a very informative assembly for the children.

Finally, a reminder that we have a Friends BINGO event taking place tonight at school and would love to see as many of you there as possible. The Friends work so hard behind the scenes helping to raise crucial money for our school and your children. Thank you to all of those involved in tonight's event, and also all the other fundraising events that take place.

The weather looks to be good for the weekend, so I hope you have some time to enjoy it.

Best wishes

**Amanda Colwill**

We had a visit this week from Author Robert Wells who wrote the book 'Excuse me, are you my mum'.

Children took part in an assembly and Robert talked about his work with the Seal Research Trust.

Robert has left 10 signed copies of his book. If you would like a copy - they are available from the school office at a reduced price of **£7.00**. Proceeds will go to the Seal Trust.

Many Thanks

### **Cornwall Council Crossing Patrol**

Today is Anita's last day as our Crossing Lady on Carclaze Road - we would all like to wish her luck and thank her for safely crossing the children over the years.

We haven't heard yet if Anita is being replaced so please remind children to cross safely when walking to and from school.

Thank you for your support with this.

## In the news this week

English football club, Manchester United, has announced plans to build the biggest stadium in the UK. The new stadium will cost around £2 billion, seat 100,000 spectators and will also be used for many other things, including concerts. It is thought the new development will be built close to the club's existing stadium, Old Trafford. Once it's ready, the current Old Trafford stadium may be demolished.

### Things to talk about at home ...

- What is the closest football stadium to where you live? Is it ever used for things other than football?
- Do you enjoy watching football or other sports? Have you ever been to a game in a stadium or perhaps visited one? Ask someone at home to share their experience.
- Share your thoughts on the new stadium. Do you think it is a good idea?

**Should stadiums be used for more than just football?**
